She's especially known,  
As an angel to me  
With her eyes all aglow  
When black roses has she;

We all need her here;  
I sure hope she needs us.  
She has a sense of humor and is very sincere.  
We know she's a person we all can trust.

I sometimes need help,  
Just now and then.  
She tells me to be myself,  
As I only can be.

I have never known a person like her.  
She loves us a lot,  
And when her hearted will occur,  
Or any teacher, her I prefer.

Frank Andrade
